**Subject:** JIC Items / Refugio Response - Updates / UC  
[lcs213RefugioTimelineUpdate.docx](#)

Good morning UC. Attached is a 213 with an outline of a few items that we could update on the JIC PIER site. As noted, the opening of Refugio Beach next Friday is natural point for updating the Storyboard timeline graphic, and we can also bring the PIER site up to date with a new response "Snapshot" and a UC level news release updating overall progress.

Please let me know what you think. JIC staff can begin to draft items based on existing releases, available info, but to do this we'd need any of your specific ideas/content/raw materials/input by Tuesday afternoon to prep the materials.

Thanks.
